

A senior engineering firm built to serve as a reliable sub on U.S. SLED prime contracts.

Intagleo Systems is a 22-year software engineering firm with a U.S. office in San Jose, California. We modernize legacy systems, migrate state agencies to the cloud, and rebuild citizen-facing services for state, local, and education buyers — bringing 200+ senior engineers across four delivery centers and 150+ shipped government engagements to our prime partners.

DIFFERENTIATORS

- ★ **Senior engineers stay on the work.** No bait-and-switch staffing; the proposal team is delivery-accountable.
- ★ **Follow-the-sun delivery.** Four centers across three time zones own incidents around the clock.
- ★ **Built to be sub-able.** Work-for-hire IP by default, fast NDA intake, capture artifacts on request.
- ★ **Twenty-two years, three cycles.** Operational stability through 2008, COVID, and today.
